

**USED: 300 Gallon ACE ROTO MOLD
TANK**

Fully functioning 300 gallon tank.

Has been used to transport water and chemicals on County Spray truck for several years. Was last cleaned and winterized fall of 2023. Recently moved outside was stored indoors until spring of 2024. Comes with everything pictured. Could make a good fire unit or water transport tank.

Reason for Selling: Purchased new spray truck and new tank. No longer needed.

UNIT SOLD AS IS.
